Property Description

This charming house is perfect for a couple or small family, in the peaceful environment of a 6 lot development. The two bedroom, one bathroom house is neutrally decorated with open concept living area and large kitchen with lots of quality cabinetry including a pantry. The kitchen leads to a covered dining terrace and the lovely backyard, where you will find a large bodega for storage and the laundry machines. A fantastic new pool, wooden deck and bamboo covered terrace are the perfect place from which to admire the mountains. The property has been beautifully landscaped with several lawn and garden areas, and numerous fruit trees. A gated entrance and hedges around the entire property provide plenty of privacy. Just around the corner you will find a local fresh produce farm. You will frequently spot Scarlet Macaws here. This is a private, quiet haven from which to enjoy the simple life in the tropics.
