Property Description

This is absolute Costa Rican charm in a beautiful and idyllic setting only minutes from the surf at Avellanas beach. It is also just as close to Playa Negra with the romantically empty beaches of Lagartillo in between. If you are looking for a wonderful place to call home, look no further! This property is situated on a 1.25 acre (5,000m2) lot and is surrounded by nature and tranquility. Playa Avellanas, as well as over a dozen other world class surf spots and a multitude of secluded beaches, Hacienda Pinilla Golf course, shopping and a variety of restaurants are all within minutes. The Liberia international airport is located about 1 hour from this home. Casa Avellanas features two levels plus an ocean view rooftop deck to take in the amazing sunsets and views of the Pacific! The main level has an open plan with two bedrooms and a living area. The 2nd level has a master bedroom, kitchen living room and access to a huge covered balcony.
