Property Description

Unique, modern luxury home finished in 2012, for sale in southern Costa Rica(Ojochal) Boasting rainforest, mountain and ocean views, this stunning 2-storey home includes 3 bedrooms and 2 bathrooms, nice high ceilings in the kitchen and living room areas with towering glass walls. This beautiful home is tucked away in peaceful Ojochal, where beautiful beaches are only a short distance away. Situated on just under 2 acres, you will feel at one with nature. The property is on the edge of primary rainforest with a stream bordering the east side. Rivers and waterfalls are a short walk away. There are numerous fruit trees on the property. Enjoy stunning sunsets from the multiple terraces, while listening to the songs of the toucans and the conversations of the howler monkeys. Pura Vida perfection for anyone looking for a vacation getaway or a new home, this house is an architectural masterpiece.
