The 2,350-square-foot, 3-bedroom, 2-bathroom home is set up perfectly for entertaining with a modern open-concept design on the lower level. It also has a comfortable loft area upstairs where you can enjoy a movie on a night in, or simply turn and enjoy the ocean, valley, and mountain views from the floor-to-ceiling windows. The private, 2+ acre property is professionally landscaped, with beautiful plants, flowers, and fruit trees, and has a fenced yard for pets! There is also a garage for your 4x4 and extra storage.
