Property Description

You can get inspired with the impressive view of the Pacific Ocean, the pristine beaches, the sight and sounds of wildlife, the scintillating experience of living in a sublime Costa Rican community and so much more from this five bedroom beach house. This property is a hidden treasure that has immense potential to match the range of any smart buyer. It can serve as a rental, or it can be used as a family estate for those who want a high level privacy. The home offers residents the neighborhood ambiance of a seaside resort, with the privacy of a secluded jungle resort. The cultural diversity is as varied as the country itself. It is centrally located to several beautiful beaches and surrounded by magnificent mountains. The village captures the natural beauty and mystery of Costa Rica that one can explore daily. This beautiful home has four bedrooms in the main house and a one bedroom detached guesthouse, spanning 4,100 sq.
