Property Description

This spacious 3 bedroom 2½ bathroom home comes with 180 degree ocean views and 360 degree ocean/valley/mountain views. The house construction is 2,400 tf² and is situated on a 1,631 m² (0.4 acres) lot. Enjoy beautiful sunsets all year round. The large patio doors open to beautiful under roof patio/deck where you can relax and enjoy the swimming pool and beautiful ocean views. Inside you will appreciate the gourmet kitchen that comes fully equipped with top of the line appliances and a large dining area, great for entertaining. Definitely a plus for this house. The large master suite encompasses the entire upper floor, has its own large covered balcony with fantastic views, large soaker tub and separate shower. The main level contains two bedrooms with "jack-and-jill" bathroom with shower between them. The living area is very large and spacious offering ample room for family and friends. There is a Carport with 2 storage lockups below the home at the entrance to the property.
