Property Description

Great Buy - Price Recently Reduced by \$100,000!! This gorgeous property features three homes on a very private 2+ acres with 150 meters of river frontage. The home is located in the barrio of Quebradas, which is one of the most popular for expats due to its quaint and peaceful nature, beautiful river, and convenient proximity to the city. Quebradas sits at an altitude of around 900 meters, which puts it in that "Goldilocks Zone" of being not too hot and not too cold - it's just right. The main home is a large 2-story constructed with exotic hardwoods and river rock. There is a flagstone patio and wooden deck with Jacuzzi overlooking the river. The downstairs has one bedroom and bath, with large dining room and kitchen with lots of natural light. The upstairs has 3 bedrooms, office, storage room and bathroom with a large open-air living room area. The second home consists of two bedrooms, a bath and two patios and an outdoor bathtub.
