Property Description

This beautiful Spanish inspired home and Casita is available at a really great price. Located inside a popular gated community, you will enjoy great views and natural beauty rarely found, especially at this price. The kitchen, dining area, and living room area are open concept and very spacious. The kitchen is nicely laid out and features stainless steel appliances and beautiful granite countertops. The bedrooms are spacious as well. The master bedroom has an amazing and large ensuite bathroom which features an outside shower area. The Casita is another great living space with a full kitchen and living room area upstairs and a nice bedroom downstairs. There is a porch area outside of each of the two levels. The feeling of being one with nature comes naturally. There is a large bodega with lots of room for tools. It could even be converted to a maid's quarters. This property is offered by Coldwell Banker Pura Vida Paradise.
