Property Description

Experience the wonders of the rainforest and the beauty of tropical living in this spectacular treetop luxury villa. This villa is built on 5 stories with 6 bedrooms and 7 bathrooms and the ability to accommodate 16 guests. There is also an elevator for easy access to each floor. Entrance is on the top floor where you will find a gorgeous open air living room which boasts incredible views of the Pacific Ocean, the Manuel Antonio National Park, and the amazing wildlife that inhabits the rainforest. Also, on this level is one bathroom, a dining area, and a gourmet kitchen equipped with every necessity known to chef. The next level down features the master suite which has access to a large wraparound terrace, sofa seating and a king size bed that looks towards the Pacific Ocean and the National Park. The master suite bathroom comes with a double head shower and jacuzzi built with a stone bath.
