Property Description

This beautiful home envelopes the lifestyle and ambiance that Costa Rica is known for while enjoying the most prestigious ocean view in the area. Ideally located on the front ridge of Escaleras de Osa, where the mountains meet the sea and sitting in a jungle setting, this home has quick and easy access to the beach and local conveniences. This 3 bedroom 2 bath home has unique interior detail ; including bamboo ceilings, and plantation shutters, French doors and vaulted ceilings. The gardens are mature and include many native species of fruit and flowers including ylang ylang and ginger, bananas and papayas. Monkeys and exotic birds frequent the property along with other jungle neighbors making this a true paradise with a perfect mix of beach and jungle, convenience and lifestyle. With the completion of new roads coming from San Jose this property is located just 3 hours from the international airport and less than 30 from the regional airport in Quepos.
