Property Description

Prime location, excellent access, great curb appeal, total privacy, room to expand, ocean views and completely turnkey - what more could one ask for? This 10 acre estate sits on a prime section of ridge top and is within walking distance to Ojochal 'centro' and many of the area's best restaurants. Just 2 minutes from the coastal highway and accessible by 2 wheel drive vehicle, the property is very accessible and conveniently located. The road front is manicured with large hedges, sprawling gardens and initiates a paved internal driveway to a auto-opening gate, up the hill and pleasantly approaches the 4 stall garage and main house. The grounds are very well maintained and spacious with a variety of producing fruit trees and ornamental plantings. On the opposite site of the property is a 10 foot wide creek and jungle area with some very large old growth trees. At the highest point of the land is the main house and two separate, ready-to-build areas that have already been serviced.
