The pristine mountain and ocean view rival settings such as Bali and California. Incredibly, however, the Homesteads at Cacao Ridge are still as affordable as they are luxurious. These estates are located off the beaten path, allowing you to experience your own private paradise while still being only minutes away from the famous surfer’s Dominical Beach. These new homes were designed with picturesque Costa Rica setting in mind. You can feel the fresh mountain air and bright sunshine from every room in these homes, but especially from the outdoor patio and the infinity pool. As soon as you enter the home, you can see dramatic ocean views for miles.
