Property Description

Sales price: \$2,850,000 unfurnished - \$3,000,000 furnished and decorated Brand New Mediterranean Style Mansion located on the Mountains of Escazu. Villa Serena is an unparalleled property that offers a restful escape in a majestic mountain setting. This elegant mountain home is nestled within a naturally spectacular piece of land atop the hills of Escazu, enjoying city and mountain views, and professionally landscaped gardens. The elegance of this home is present not only in the exquisite finishes and furnishings but also in the beautiful views seen throughout its abundant floor to ceiling windows, which in turn, flood the residence of light and clarity. The property offers plenty of land for additional expansion. The spectacular gardens attract all kinds of butterflies and birds, and perfectly complement the house and social areas. According to the landscape architect, the landscaping for this project arose from the search for an identity, a personality in harmony with the architecture and the environment.
