Property Description

Finca Tranquila is an equestrian gated community on the Central Pacific coast of Costa Rica. Just outside of Quepos/Manuel Antonio in the quaint town of Naranjito, you are far enough from town to enjoy the tranquility and peacefulness of the country, yet close enough to benefit from the services, stores, and restaurants. There are several horses for the owners to enjoy onsite to ride in the beautiful areas in and around the development as there are 140 acres of common area with stables. Rolling foothills, green pastures, and a gentle river are all part of this unique development. The project was designed for large acreage properties with views and privacy forefront. The outstanding feature of this home is the continuous tropical views throughout the multi-paned windows that curve around the living spaces. The 2-level, 2 bedroom home has the living area and one bedroom on the main floor, and a full-featured expansive bedroom, ensuite, and study on the second level.
