Property Description

Perched on the front ridge facing the prime Costa Rican attraction, "Whale's Tail" beach, in the coastal town of Uvita. Casa Ultimo Sueno has been designed to offer the perfect luxurious oasis for even the most discerning estate buyers. The views in this iconic community are world renowned, and visitors to the Golden coast region often remark about the stunning tropical sunsets, the abundant wildlife, and the postcard perfect ocean views of the world famous 'Whale's Tail' beach, which is a naturally formed structure in the shape of a whale's tail, that jets out into the warm waters of the Pacific Ocean. This estate boasts the best views of the "Whales Tail", and some of the most dramatic sunsets on the western coast. Casa Ultimo Sueno was designed and built by an award-winning builder from the United States, who has lived in Costa Rica for some time. This is worth noting, because the quality of construction is impressive, and from the moment you arrive at this remarkable estate, you will appreciate the placement of the main building, the layout of the exterior entertaining spaces, the inviting and tropical pool design.
