Property Description

A boutique hotel perched on an ocean view hill top in the international destination of Ojochal, Costa Rica. This soulful 5 bedroom and 5 bathroom B&B was recently remodeled in 2012 and features a new lobby, restaurant, and lounge. All the rooms were completely re-done and re-decorated. There are 3 standard bedrooms with en suite baths on the main level all with private ocean view balconies. One of these rooms was converted to be handicap accessible as required by law for an operational hotel. On the lower level there are 2 larger suites with private bathrooms and terraces. The 2,200 sqft 3 bedroom and 2 bathroom owner's home doubles as the lobby, lounge, restaurant, and professional chef's kitchen. Could also transform these bedrooms into more hotel rooms if one desired. In between the home and hotel rooms there is a large pool and spacious sundeck with ocean views for the guests to enjoy and relax.
