Property Description

This two-storey contemporary ocean view house situated in the hills above Ojochal features a main floor open concept kitchen/living room/dining room with den/office and three bedrooms upstairs. The main floor includes a large granite kitchen island and breakfast counter, pantry, laundry room and a dry room for storage. The two guest bedrooms upstairs share a full Jack-and-Jill bathroom. The master bedroom features a full ensuite with shower and jacuzzi and walk-in closet. Outdoors you will find a lovely tiled pool with generous patio and treated wood deck. The fully landscaped grounds include several fruit trees, flowers and decorative shrubs. The property is fully fenced with an electric gate. There is ample parking for multiple vehicles and a two-car garage. Additional features of this property include several storage areas, small loft, dry indoor-outdoor garden, high ceilings, back up generator, solar hot water and security system.
