Property Description

This gorgeous home is located in an upscale, secure community overlooking Playa Dominicalito. With an altitude of 1,200ft the property benefits from the cool ocean and mountain breezes day and night. Offering commanding panoramic views over the Pacific ocean, north along the coastline to Manuel Antonio and south toward the Marino Ballena National Park, with views of the surrounding mountains and dense tropical forests. The villa has been built in a Spanish colonial style featuring fine finishes and decor. A large entry leads to a beautiful walled garden and courtyard, complete with a fountain surrounded by tropical flowers and plants. Constructed on a gently sloping mountain side, the main upper floor features a spacious covered terrace area that wraps around to the infinity edge pool. The luxurious kitchen is fully equipped with modern appliances and tons of storage space. The oversized patios and balcony, along with the pool and tiled deck provide tons of space to relax and entertain.
