Property Description

If you are looking to invest your money wisely into a property that will give you several options, this property is ideal for you. It consists of the main house and a separate building with an owner's quarters and the office or reception. The solidly built Main house has 4 two-bedroom apartments with kitchen and living area that comes furnished. Can be use as long-term rental, vacation rental, or family compound. Each apartment has its own outdoor seating area as well there is a common-use pool area with an adult and kids pool with deck. On the lower part of the property is a separate unit with a one-bedroom apartment that used to be an owner's quarters together with an office or reception area. With a land size of 1,676 m2 (0,42 acre) this fully gated property is very safe and gives enough of parking space for your guests, family members or tenants. The perfect location: walking distance to the town amenities and just a few minutes drive from the most beautiful beach in Costa Rica and National Park Marino Ballena is a bonus.
