Property Description

Welcome to Casa Zeus - A Family Home. Modern look in its design, Casa Zeus served well for its owners from construction to date. It was developed with a seamless flow from the entry point to the bedrooms and the entry point to the living and entertaining areas. The site was carefully chosen for its expansive view through a verdant valley that leads to the ocean and Hacienda Pinilla. This home comes on a 1.25 acres lot. The lot is designated as an agricultural lot and has the caveat of 10% of construction. More can be built here within maximum footprint that is allowed by law. This is a residential lot within the community of Black Stallion Hills. UPDATE - As we mentioned, this home is a clean palette. How?? During the month of March, and to ensure an easy transition for any buyer, air conditioners have been serviced or replaced, the entire interior has had a make over (artwork holes in the walls repaired, etc).
