Property Description

This spectacular tropical villa has just been totally renovated making it one of the finest opportunities anywhere on the Central Pacific Coast. One Pacific Canyon Drive is a unique 6 bedroom estate home which combines stunning views of the Pacific Ocean and Manuel Antonio National Park with incredibly high quality and energy-efficient home. The home has a fantastic floor plan which is ideal for either full time living or a versatile vacation rental program which has been the primary use of the home for the past several years. There is a two-car garage at road level, and up a short flight of stairs is a fully independent one-bedroom, spacious studio. Great for couples or guests who want privacy from the main home or owners. The main level of the home hosts an infinity-edge pool and multi-level deck spaces ideal to marvel at the views or wildlife. You enter the main living space which is bathed in light from the floor to ceiling windows and houses a great open floor plan with teak flooring throughout, a newly renovated kitchen (all brand new stainless appliances), a spacious dining area, a half bath as well as spacious laundry and storage room.
