Property Description

Priced to sell! Custom built home on exclusive Kura Road in Uvita. Painstakingly designed and built in local Tico style. “Casa Manana” is a four bedroom, five bath home with sweeping views of the ocean and the “Whale’s Tale”. Reflective of a typical Costa Rican hacienda this home has many bespoke features including handmade basins in each of the ensuite bathrooms, custom ironwork on the doors and windows, tiled in ground pool (closed seasonally), covered outdoor kitchen with sink and gas stove, gated secure driveway and mature fruit trees. Imagine your morning coffee or sunsets on the wrap around balcony eating home grown papayas! Whether you are looking for a place to retire, vacation villa or a rental property for earning extra income this home fits the bill. Included is a two car garage with second floor guest suite with full kitchen. The property is turn-key and has occasionally been used as a vacation rental.
