Close to the KURA boutique hotel known as the most glamorous romantic resort in Costa Rica. 2 villas, one with ocean views and the other with jungle views, each with their own gated, private entry. Room to build an infinity-edge pool between these villas, or in front of each villa, and plenty of room to build a large main house on the additional plantel that is located above the villas. Currently there is a covered gazebo perfect for sipping a cocktail while watching the sunset over the pacific. A daily breeze blows up from the ocean keeping the temperatures cooler at this 1100' elevation.
