Property Description

Newly built modern 3 bedroom 2.5 bath home with beautiful mountain views. This turn key property is centrally located in the highly sought-after beach community of Uvita. Walk a few minutes to schools, restaurants, supermarket, butcher, bakery, shops, bank, pharmacy, doctor and much more. A short bike ride to the beach and the famous Marino Ballena National Park known for some of the best whale watching in the world! When you enter the home, you will experience an open concept home that is light and bright. Through the sliding glass doors is the pool area with a beautiful pool and covered rancho for outdoor dining and BBQ, a perfect space for year-round entertaining. This private and secure residence is fully fenced with an electric gate and features indoor outdoor living with an open concept floor plan, high ceilings allowing for great airflow, TV, stereo, private fenced yard, covered carport, built-in outdoor grill area, quartz counters, custom wood work throughout, air conditioning in the bedrooms and high-speed internet.
