Property Description

This modern home is where unique design and solid structural elements come together with love and appreciation for the unique location of this beautiful Ojochal, Costa Rica vacation property. Steel, concrete, wood and bamboo come together to create an airy ambiance, paired with state of the art fans and ingenious shading solutions to create the type of living that is solid, secure and cool even on the hottest days. Powerful views of the changing Playa Tortuga coastline can be seen from almost every location on this very competitively priced first-ridge Ojochal property. At this altitude, you will see scarlet macaws fly past almost every morning and afternoon from your lovely terrace. With an incredible sliding blinds features that temper the blazing red sunsets, you will be comfortable sitting outside all day long. This cabin is ideal for a vacation rental house that you can enjoy for part of the year and rent for the rest.
