Property Description

Located within 40 minutes of the San Jose metropolitan area up in the highlands northwest of the central valley this beautiful coffee and sugar cane farm in full production is being offered for sale. Very fertile soil, and the perfect altitude for growing the highest quality coffee, and gently rolling terrain with internal access roads throughout, allows for easy management, and harvest of the coffee and the cane. Approximately 125 acres (50 HA) in coffee of different varieties to include Geisha, Marsiesa, Villa Sarchi, and others that are all very high quality, and high yield varieties. The plantations are very well managed. Approximately 125 acres (50 HA) are planted with sugar cane, and also well managed, and with internal infrastructure for ease of management and harvest. This area can easily be converted into coffee plantations. The remaining area is in the secondary and virgin rainforest.
