Property Description

A modern estate in the Escaleras community, with open concept home and large open valley with path round out the property with a total of five bedrooms. The property was designed for multi-generational living for a large family or a group of friends, or run as a boutique hotel or retreat center. The 4 master suites on the property include their own private patios looking out to the ocean sunsets and the surrounding jungle filled with wildlife. All the entertainment areas look out to the stunning gardens and the ocean beyond. The additional large guest bedroom can double as an office or additional living room, and includes french doors out to the outdoor shower. The home's largest suite has a full ensuite bath, a large walk-in closet and doors out to a private stone courtyard with Bali soaking tub and shower. Enjoy a bubble bath while watching the Birds in the trees above, and the cool ocean breeze.
