Property Description

Extraordinary Roca Verde home on 6-acres with spectacular views of the central valley. Roca Verde is the one of the most desirable communities in Atenas, within walking distance to the cute town center. Atenas is known for perfect climate, a central location, and friendly community. Daytime temperatures are around 75-78 degrees during the day and evening cool off to around 65 – 68 degrees, making that you do not need heating or air-conditioning. Distance to the SJO International airport is less than 35 minutes, beaches are under an hour, international hospitals and major shopping areas are only 25 minutes away. This well-appointed four-bedroom four-bath home has a grand open floor plan with a great comfortable flow. The high vaulted wood ceilings have beautiful warm tropical wood panels, that continue also to the outside covered patio and carport. A great detail that enhances the luxurious appearance of this gorgeous home.
