Property Description

Did you dream of it? Here it is: on the heights of Ojochal, a ready-to-build lot with a breathtaking mountain view. 10 minutes from the Costanera, with an easy 2WD access, this land made up of 2 flat areas offers you the most beautiful panorama. Be inspired by nature to create the house of your dreams with a changing and dazzling colorful decor surrounded by a lush garden! This 3802 m2 lot, adjacent to the public road, is the highest of a development of about ten lots. The view is thus guaranteed. Enjoy the tranquility and the freshness that the altitude (280 m- 918 ft) gives while being a few minutes from the beach (Ventanas, Playa Tortuga) and having access to various services: gas station, restaurants, doctor, supermarket and many others. Legal water and electricity letter, zoning certificate, survey and soil test are available and make the purchase process simple and fast! In addition, blueprints of a beautiful house, designed in order to take full advantage of the view are available.
