Property Description

Located in a literal paradise at the heart of Costa Rica's Central Pacific zone, Los Suenos Ocean and Sunset View Condo is a place where your dream home can become a reality. This property is on the third floor of the coveted Del Mar community, within Los Sueños. As anyone who's been there can attest, Los Sueños (which translates to The Dreams) is a resort that feels as if entering a tropical oasis. There, the perfectly manicured gardens, top-of-the-line amenities, and incredible views of the Pacific all come together to offer one of the most vivid embodiments of luxury in Costa Rica. When settling in Los Sueños, you'll be part of a lifestyle that includes a world-class marina, a five star hotel, top-rated international cuisine, and an 18-hole championship golf course. Truly a dreamlike experience. Los Suenos Ocean and Sunset View Condo is a third floor unit that looks out to the pool and Los Sueños' stellar premises.
