Property Description

Casa Esmeralda means “Emerald House” and this is a true gem of the Costa Ballena!! Ideally located in Ballena between Uvita and Ojochal with in the gated community of Brisas de Mar. Casa Esmeralda is a perfect blend of luxury finishes while still feeling comfortable with a tropical ambiance. Remarkable white-water ocean views and the Whale’s Tail from the unique south perspective; not to mention the outstanding mountain and rain forest views. The home was completed 2019 with a single level floor plans of 3 bedrooms and 3 baths plus infinity edge pool and outside covered BBQ area. Beautiful slate tiles throughout the home and solid hardwood sliding doors and custom cabinetry, plus cedar wood ceilings creates a warm and tropical feel to the home. The kitchen, dining, and living room are a spacious open floor plan perfect for entertaining friends and family. The ample back porch flows to the large sized infinite pool and a separate covered BBQ area.
