Property Description

CASA VISTA ROYALLOCATION, LOCATION, LOCATION Located in the mountain with an expansive view, this property has really easy access. Less than 3 minutes from the Costanera, and 5 minutes from downtown Uvita (supermarkets, banks, restaurants, dentist, doctor, schools...) you will find the perfect balance between privacy and accessibility. This makes it the perfect house for full-time ex-pats and potential renters. THE VIEWSThe property offers 180 degree+ unobstructed ocean views; including a view on the whale tale, Isla Ballena, Isla Del Cano as well as the Osa peninsula. The amazing sunsets, where you see the sunset directly into the ocean, are some of the most amazing you will see on the coast. But it doesn't stop there! From the property, you will be able to admire pasture, the mysterious Rio Morete, and the coastal mountains of Uvita. From the main patio, you will also be able to admire and listen to a small waterfall bordering the property.
