Property Description

This amazing home was designed and built with the highest level of detail and finishes. It has several levels where they give it particularity and exclusivity in the design. From the outside you can see the beautiful work in landscaping, the lighting is another wonder in the house, the trees with reflectors to be appreciated day and night, the external stairs with lighting take us to the main door with automated access. Upon entering, you can see polished cement walls, river stone, double-height ceilings and the mix of materials used. It shows excellent finishes that can be seen along the way. The spacious integrated kitchen, with white quartz countertops, storage space, grinder, cabinets with cold water and instant kettle, a bar with armchairs that offer the greatest comfort and at the same time are part of the decoration of the space. Incorporated with a dining room, with large windows, family room and sliding doors that open to the terrace with a beautiful panoramic view of the city and the mountains.
