Property Description

This beautiful 4 bedroom, ranch-style home, is only minutes to Uvita. Located up La Union road, it enjoys all the vistas one craves in a property in Costa Rica. As you enter through the motorized gate, the separate casita is to your right. Currently occupied by the caretakers, it could make a great in-law accommodation, a place to hang your hat while you rent out your beautiful home, or as it is, the ease of knowing caretakers are there to help! There is plenty of parking on the property, under the massive mango tree, or up the paved drive beside the house where the access to the kitchen has been methodically thought out. As soon as you arrive at Hacienda Uvita, the views will simply take your breath away. The beautiful blue of the Pacific Ocean, the valleys of Uvita or the enchanting mountains that surround the village, can all be enjoyed from the covered veranda.....and enough space to host the whole family! Entering the home you will be invited into an open concept living and dining area with a kitchen that is a chef's delight.
