Both homes offer unobstructed sweeping views overlooking the Pacific Ocean with year-round sunsets as well as spectacular views of the largest mangroves in Central America. This private and gated property is in an estate neighborhood with easy access along a well-maintained municipal road in the community of Cascada Sandalos. A short drive to the highway and within a 15- minute drive to the beach, or the fabulous restaurants of Ojochal. The open-concept main house has been tropically designed with high ceilings detailed with bamboo inlay. A spacious living room with extra-large windows that bring the outdoors-in!
