Property Description

Live in comfort and style in this 3-Bedroom home with 3 en-suite bathrooms plus guest bathroom. This home has all the amenities that you could want in a solid and well-maintained move-in-ready package. The home is located in the gated Touristica Tortuga community (phase 6) in the expat-paradise of Ojochal de Osa in the southern pacific zone of Costa Rica. This lush gated community provides you with a secure setting surrounded by the sounds of wildlife in their natural habitat. Imagine your morning walks through the tree-lined roads that wind through the community while watching for the ever present monkeys and birds that also call phase 6 their home. You will wake to the sounds of nature and breathe the fresh air that permeate the area – it feels and sounds wonderful! The neighborhood is populated by your fellow paradise-loving expats who also enjoy this little slice of heaven, so you have many opportunities for socializing and enjoying the company of others (when you want) or the privacy of your home (when you don't).
