Property Description

On The Beach Living In Playa Zancudo This attractive, stylishly converted shipping container home is ready for you to step right in and set up your life on the beach. The outdoor kitchen and entertainment area, along with the in-ground swimming pool (yes a real in-ground pool!!) gives you extra living space inside and out. Enjoy a dip in the pool after a hot day on the beach, then cook to your heart's content with the sea breeze and the sound of the waves rolling in on the seashore along with a gorgeous view day and night. Crashing waves are your doorstep. There is plenty of room on the property to build a larger beach home if you desire. This property is within walking distance to the grocery store and several restaurants. The Playa Zancudo area is growing now and the property is still at a good price so consider it when you venture this way to find your dream home. A long stretch of sandy beach backed by coconut palms and almond trees forms the idyllic setting for Playa Zancudo.
