Property Description

Brand New, Modern Ocean-View Houses for Pre-Sale in Santa Teresa. This project was carefully designed every detail of the area in order to amplify the nature that surrounds it while providing a modern living space. Each structure holds a strong architectural design to satisfy the comfort and safety of the home while providing ample amounts of lighting and ventilation. Located on a main road, only five minutes from the town center of Santa Teresa and to the best beaches around. Its exceptional location makes it a convenient residence for anyone visiting or living in the area. This property offers great potential for a long term residence, vacation home, or an income generating vacation rental. The Samán Community consists of a multi-unit gated community. There are two main gates each with their own individual function, one for exiting and the other for entering. When the property is completed there will be a regular security onsite as well as general maintenance for the property as a whole.
