Property Description

Scenically supreme with majestic mountains and incredible white-water ocean views. This easy-access, 2-story contemporary home has been built for the finest in luxury living and entertaining. Upon arrival, you will be greeted by artistic, massive gates and once you pass through you will be “wowed” by the beautiful architectural masterpiece ahead of you. Like a private park? Green gardens and shade trees are a part of the beautiful setting. Indulge in the 16-meter lap pool, pool-side gym/fitness area with large flat-screen TV, or grill up a burger by the poolside B.B.Q. – nothing could be finer with something for everyone. TWO HOUSES IN ONE... The open-concept owner’s flat is 1500 square feet and encompasses the entire 2nd story. It has incredible extra-large windows that allow you to take in the fantastic panoramic views of the majestic jungle-covered mountain range, and the Pacific Ocean, complete with white-water and sunset views.
