Property Description

Completely new perfect designed house with a nature relaxing area. This house in Estanquillos is perhaps the most secure, private house in Atenas. This place offers incredible views of the mountainous formations of the area and is located just 8 kilometers from Athens Center. Easy access to Commerce and services such as clinics, banks, post offices, churches, and everything you need to lead a quiet and relaxed life in the best climate in the world. This extensive property covers 7.000m2, were nestled this incredible 250 square meter house, brand new, designed with an incredible open concept that allows a smooth flow along with the house. The kitchen folds with elegant cabinets made of solid wood and granite countertops, is very well lit and ventilated, so cooking your favorite dishes here will not be a difficult task. The kitchen connects directly to a vast area where the dining room and living room sits.
