Property Description

There's only one like this! Enjoying this extraordinary, unrepeatable Hacienda villa in Costa Rica is a priceless treasure. A property for discerning people who care about quality and peaceful living, privacy, and being in contact with nature. Be amazed by living in this beautiful gated community and feeling grateful and fortunate of breathing the fresh air, listening to the melodious birds songs in the morning, then picking up some fresh eggs for breakfast, and pouring a cup of coffee while sitting on your deck enjoying of the breath-taking views. Located in the vicinity of Hacienda Atenas with rivers, waterfalls, centenary trees, this villa is blessed by its essential surrounding close to the Central Valley, a Sanctuary for species from both Pacific and Atlantic, including white face monkeys, lizards, all kinds of birds species, toucans, parrots and more! The altitude ranges between 750-1,100 meters (2,500-3,500 feet) above sea level, with a wonderful climate year around and temperatures oscillating between 20°-27°C (68°-80°F).
