Property Description

Build your dream home in this beautiful location with convenient access to amenities. The jungle views and potential for ocean views make it a picturesque setting, and the proximity to Ojochal and its amenities is definitely a plus. Raw land waiting for your vision! All utilities to road, legal ASADA water Ojochal is a beautiful town located on the southern Pacific coast of Costa Rica. It is known for its stunning beaches, lush rainforests, and excellent culinary scene. Ojochal has a diverse community of expats and locals, which makes for a vibrant and friendly atmosphere. The town itself has a few grocery stores, restaurants, and a pharmacy, as well as a weekly farmer's market. The nearby town of Uvita offers more amenities, including banks, supermarkets, and medical clinics. One of the main attractions of Ojochal is its proximity to some of the best beaches in the country, including Playa Ventanas, Playa Tortuga, and Playa Ballena.
