Property Description

This stunning sleek modern 4 bedroom, 4.5 bath pool home overlooks the Carara National Forest, the beautiful river valley below and the Pacific Ocean too. Located just 15 minutes from two of Costa Rica's most tranquil, pristine, clean crescent shaped beaches, Playa Agujas and Playa Bochinche, this beautiful home is also just 45 minutes away from San Jose's international airport. And all the fun, food, restaurants, shops and nightlife of Jaco Beach are just 30 minutes away. If sport fishing and golf are your hobbies, they are even closer at Los Suenos 20 minutes to the south. This beautiful home is currently in use as an AirBnb with multiple ways to rent out as it is designed so that every bedroom has its own en suite bath and entrance door, affording privacy for all, whether using the home as a single family residence, vacation rental among friends, or separate travelers. This is because the home is designed to allow it to be lived in or rented in its entirety or each bedroom suite separately, with all sharing the common pool deck, outdoor dining area and BBQ area.
