Property Description

Conveniently located in close proximity to Atenas downtown in a popular gated community, this gorgeous 7,000 square meters property with 90 degrees view has everything you could desire. The palm-tree lined driveway creates a lush, tropical paradise to this amazing property. The beautiful entrance opens up to the spacious great room creating a sense of space and fluidity. The main living areas include an open custom kitchen with kitchen island, and a considerable dining and living room. This space of the house has direct access to the covered terrace and back yard. ¡The vistas to the mountains will immediately take your breath away! The house features five bedrooms and three full bathrooms. The master bedroom includes an en-suite with soaking tub, shower room, and large walk in closet. The house entails a split bedroom design to ensure privacy. There are plenty of outdoor living areas to sit and relax.
