Property Description

This brand new model home is located in the new master-planned community of Jardines Del Sol, in the heart of Uvita. This convenient location makes this home extremely attractive, with easy access to schools, restaurants, bars and entertainment, as well as grocery stores, banks, pharmacy and doctors offices. Take a leisurely stroll to the farmers market, or spend time riding your bike along the newly paved road. This home is priced extremely aggressively and is expected to sell fast. This home is impressive from the moment you arrive, with modern lines, vaulted roof lines, and a gorgeous tiled feature wall that continues from the front of the house, to the rear. The impressive entry door is custom made, and the concrete driveway gives you access to this impressive entry, and to the secondary laundry room access. From the moment you open the door, you will be enticed with the natural light that permeates in every room, the stunning furnishings, and the modern chef's kitchen.
