Property Description

This is a great home at a great price. This 3 bedroom ocean view home is located on the San Juan De Dios Rd in the mountain town of Platanillo. The property is at 1000 ft elevation which is perfect for cool breezes but not so high up that it is in the clouds. It is only 15 min from Playa Dominical and the beach, 5 min on a very well maintained gravel road, and 10 min on a paved road. It is only 5 min from the center of Platanillo where you have a few restaurants and grocery stores. The property has a nice long private driveway. There is a 3 bedroom, 2 story house, a large 2 car garage, and a guest cabin with a sleeping loft. The first floor of the house has a kitchen, living room, 2 bedrooms, and a bathroom. The entire upstairs is the master bedrooms and bathroom. It also has a large deck with amazing views. The 2 car garage was just recently built and also has the laundry room in it. And then the cute wooden guest cabin was also recently built and it has the sleeping loft plus a kitchen and living room.
