Property Description

Look no further as this is a PRIME PROFIT LOCATION! Ideal location for a hotel/resort, or a gated residential community. Located at 1 of the 4 entrances to Marino Ballena National Park - an incredible park which consists of 110 hectares of land, 5400 hectares (13, 345 acres) of water and the largest coral reef on the Pacific coast of Central America with over 14 kilometers (8.6 miles) of coastline. 3.7 acres of flat titled-land only steps away from Playa Uvita (Uvita Beach) famous for its Whale Tail rock-reef formation that you can access at low tide. Playa Uvita is one of the most beautiful beaches in all of Costa Rica! Marino Ballena National Park is renowned for viewing the Pacific humpback whale which migrates to this special place twice a year. The calm warm, gentle waters are the perfect birthing grounds for their calves! Visits from the Antarctic whales arrive from July through to November and the Arctic whales arrive from December through to April.
