Property Description

Sunset Peak is an amazing property that allows families and groups to have privacy and seclusion with easy access to Nosara beaches. Overlooking the main beach of Playa Guiones, start and end your day with a breathtaking 180 degree ocean view. The 1.25-acre property consists of a large main house and a second living area with two bedrooms - Sunset Peak sleeps up to 15 people. The main house has four bedrooms and a total of five beds and two bathrooms. The second living area features two bedrooms and each have a queen bed, futon, and a private bathroom. There are also two outdoor bathrooms alongside the exceptionally large pool. There is a large covered rancho connected to the main house with a bar, pool table and large dining table. Enjoy a beverage at the outside pool bar that overlooks the jungle and beach. Feel free to roam the grounds, along the beautiful pathways lined with different varieties of fruit trees.
