Property Description

In one of the most sought-after regions in one of the most beautiful and highly-regarded lifestyle-focused destinations in the world, you would be hard-pressed to find a property with a more unobstructed views. Osa Peninsula (National Geographic calls it one of the most biodiverse places on the planet) Canó Island, Ballena Island and Whales Tail National Park. Now that's saying something! This private 2 bedroom, 2.5 bath home supports an incredible versatility in lifestyle. Great for enjoying a tranquil retirement lifestyle or investment for its breathtaking sunset views. An absolute gem for a true work/life balance with a gorgeous office nook overlooking the Pacific Ocean. Ideal and for elegant entertaining with an open indoor/outdoor kitchen, dining, and living room space that brings the outdoors in. Or be completely supported in a renewed healthy lifestyle with custom yoga pavilion, endless walking trails, and rare outdoor fire pit sitting area by the custom infinity pool.
