Property Description

In the tradition of "saving the best for last," this privately-owned parcel is perfectly positioned at the end of the road to give you both privacy and security while also maximizing the awe-inspiring panoramic ocean views beyond. This large unique luxury villa with high wood ceilings and curved archways provides complete privacy along with stunning unobstructed Pacific Ocean, virgin rain forest views, and river mouth views. From bird, to whale, to amazing sunsets, or taking in all of the flora and fauna this property has to offer you won't want to leave the pool side. With two large master suites, a third double bedroom, large office, living and dining rooms, there is room to really breathe in this home, which is called 'Tucan Tango'. It keeps getting better you can also purchase the neighboring property with a 2 bedroom guest home or live in worker / security guard for \$220k. However If both houses are bought together there is a discounting of the price by \$79,500 to a new total of \$830,500.
